App F. III—2]

of 1928

Serial No.

Letter no 996 dated 18th Oct. 1928 from the Dir. of Horti. requesting that he may be permitted to lease out the Cubbon Park for grazing instead of removal of grass by cutting.

Is there an order that grazing should not be permitted? Refer to phase. 2nd N. R. 20.10.

2 There is no order prohibiting the grazing in Cubbon Park. It was usual to permit grazing in this area till last year when only cutting of grass was permitted to prevent damage to plants, flowers &c. This course resulted in a fall in revenue and a further fall is apprehended even during the current year. The proposal by the Dir. is for orders. Refer with reference.

Subject: Lease of Grass in Cubbon Park.

F. G. 29-28-1

Sir,

I have the honor to state that in the matter of the lease of grass at Cubbon Park, a notice was published in the Gazette but no one was willing to take the grass for cutting, during the auction held on 31st July last. This was again kept for auction but again none wanted it for cutting though nearly 20 bidders were present at the time. Then again tenders were called for the lease when one Abdul Khaluk offered Rs.235/- for cutting grass, but subsequently wrote that he would take it up for the amount if his cattle were allowed to graze, as otherwise his offer was only Rs.92 for cutting grass. But it is learnt that even for this amount he does not want it.

2. Last year also the same difficulty was felt. The contractor accepted for Rs.750/- for cutting grass and paid Rs.375 but did not pay the balance for the reason that there was no grass for cutting.

3. To lease out the grass for cutting purposes no one comes forward. As there are even now people who offer a higher amount if they are allowed to graze cattle, I request you to be so good as to permit me to auction this time and in future for grazing, limiting the heads of cattle to only 50 to be kept on the rope.

I have the honor to be,
Sir,
Your most obedient servant,

DIRECTOR.
